Meetings are usually held the second Tuesday of the month, September through March at a local business sponsor. Place and time are in your monthly newsletter. Support the businesses that support snowmobiling. Please remember!! Your trail system is only as good as the time and effort you put into it. Do not expect a few to do the work that benefits all.

As a snowmobile club with close to 160 members, we need volunteers to continue to expand and keep our trails and equipment in top condition. Please volunteer for any of the following.
